Harmonizing Latina Visions and Voices Amarilys Estrella, Melissa Maldonado-Salcedo, 2024-04-15 *Harmonizing Latina Visions and Voices: Cultural Explorations of* Entornos discursively challenges the erasures, stigma, and silences imposed on women by functioning as a harmonizing choir, a collection of voices to testify on *mujerismo*, its vision, and its promise for (our) future. This collection puts “on the record” a pathway toward liberation that pushes back against white supremacist projects unleashed by academia, our families, official narratives of the State, and immigration. This book does not seek to equate the experiences of all Latinas or envision a one-size-fits-all response. We harmonize these diverse voices, understanding that these stories, poems, and essays are invoking different spaces, times, and experiences. We offer them as an intergenerational, intellectual, and spiritual dialogue. As a practice, this work centers and contextualizes how women’s resistance is articulated and expressed. The stories reflected in the chapters that follow are often matricentric, transnational, and queer. Some recurring themes center on the policing, policies, and legislations that govern Latina’s bodies and the *entornos* (social/environmental worlds) in which they move, are detained, or embodied.

No hay hombres cabrones sino mujeres que los aguantan Georgette Rivera, 2013-07-22 *Mujeres, ¡el poder es suyo!* Pongan un alto a los cabrones que pretenden arruinarles la existencia. «... entonces me dijo que siempre NO.» Que NO se casaría, NO vendría por mí, NO se haría cargo de nuestros hijos, NO estaba enamorado de mí y sólo quería pasar el rato, NO me ayudaría... ¿Te suena familiar? ¿Has escuchado alguna vez estas palabras? Frente a tales circunstancias las mujeres piensan: Es un desgraciado. Un malagradecido. Un poco hombre. ¡Un cabrón. Sí. UN CABRÓN con todas sus letras. Pero, ¿por qué hay hombres cabrones? ¿Quién los hace mendigos desgraciados infelices: CABRONES? ¿Por qué a veces la mujer se enamora de esos cabrones? Georgette Rivera responde a estas y más preguntas relacionadas con los CABRONES en este libro irreverente, filoso, lleno de humor y verdades, algunas duelen, y mucho. Nos dice cómo actúan los cabrones, qué persiguen y cómo se meten en el corazón y las piernas de las mujeres, elabora una lista de los cabrones más característicos y sus lindezas, te aconseja cómo deshacerte de sus hipocresías y chantajes y, sobre todo, confirma que si tú lo deseas, nunca en tu vida se aparecerá ningún cabrón para estropear tus días. Irónico en sus planteamientos, implacable en sus conclusiones, con humor desbordante sin dejar de lado reflexiones profundas, *No hay hombres cabrones, sino mujeres que los aguantan* es una herramienta eficaz para deshacerse de tipejos y malos galanes, de seductores de quinta y pésimos

amantes; basado en una larga experiencia como terapeuta profesional y una amplia bibliografía sobre conducta humana y relaciones de pareja, Georgette Rivera te ofrece las bases para que tu vida y tus elecciones respecto a los compañeros sentimentales sean siempre atinadas y provechosas.

Morir de amor en Tierra Santa A. Piñeiro, 2018-12-26 David Frank, un joven judío-americano, se siente atrapado en la superficialidad de la élite neoyorquina. Confundido sobre su vida, decide viajar a Israel para unirse a las Fuerzas de Defensa con la esperanza de proteger a su nación del enemigo. Sin embargo, una vez envuelto en la guerra, entenderá que las cosas no siempre son lo que parecen y cometerá actos impensables. Dispuesto a regresar a casa, un desafortunado evento cambiará su vida por completo, pero le regalará la mayor de sus suertes, algo que nunca imaginó: conocer al amor de su vida, una misteriosa joven hermana de un importante miembro de Hamás en la Franja de Gaza... una mujer con hijab.

Las mujeres galantes de mi época Xavier Santero, 1922

La sociedad que no amaba a las mujeres Javier Fenández Aguado, Lourdes Molinero, 2012-03 ¿Qué tienen en común Isabel la Católica, Teresa de Jesús, Clara Campoamor, Frida Khalo y Coco Chanel? Todas fueron mujeres excepcionales y vencieron las trabas de una sociedad que no favorecía el desarrollo de su talento por el mero hecho de ser mujer. Esta obra recoge los perfiles de 60 mujeres que vivieron entre el siglo XIV a. C: y 1978, muchas de ellas grandes desconocidas para el gran público. Todas ellas tenían condición de líderes, pero ejercieron ese liderazgo de manera muy diferente y no siempre de forma positiva. De cada una de ellas se extraen numerosas enseñanzas de completa actualidad para los profesionales de hoy, al margen de su sexo.

La promesa del Almogávar Francisco Oliver Jarque, 2008-06 Corona de Aragón, albores del siglo XIII. Desde el bastión de Teruel, último reducto cristiano del reino, el joven Diego de Marcilla parte a la nueva cruzada proclamada por el Papa. Su objetivo es cumplir una promesa de amor disponiendo de un plazo de cinco años con los que conseguir fortuna suficiente para ser aceptado por la familia de su prometida, Isabel de Segura. Cuando se adentra en el conflicto, acompañando a una de las temibles partidas de almogávares, mercenarios crueles y sin escrúpulos, descubre que la guerra y la intransigencia que conlleva, no son el medio más honesto para acceder a la mano de su amada. La promesa del almogávar es una novela histórica con la que el lector paseará por distintos escenarios, desde Occitania al Al Ándalus, será testigo de la Cruzada Albigense, conocerá a las Damas de "Las Cortes de Amor" y el mundo de los trovadores, tendrá acceso a las intrigas de los harenes califales, y vivirá en primera línea, junto a caballeros y monjes guerreros, batallas como las Navas de Tolosa o el desafío de Muret. - See more at:

Francisco Nieva: Coronada y el toro Komla Aggor,2021-10-22 Coronada y el toro (Coronada and the Bull) is a play written in 1974 by Francisco Morales Nieva (1924-2016), a prominent figure in the history of Spanish theatre. Even though the aesthetic quality of his drama competed with that of his contemporaries, with many of whom he interacted (Ionesco, Genet, Brecht, Grotowski, et al.), Nieva's recognition was unduly delayed within Spain and, on the international scene, his name remains eclipsed by playwrights such as Federico García Lorca and Antonio Buero Vallejo. Traditionalist and populist yet cosmopolitan and neo-avant-garde, Nieva began writing plays in the late 1940s but never got the chance to perform any on the commercial stage until 1976, a few months after the death of General Francisco Franco, whose censorship machine forced his work underground. Hard to subject to any single classification, Nieva's theatre is as complex as it is innovative in its combination of resources from a wide range of artistic trends, from the género chico to the Baroque to postmodernism. Coronada y el toro is a sophisticated masterpiece, rich in intertextuality, humour, and suspense.

The Jewel of Seven Stars Bram Stoker,2021-02-09 The Jewel of Seven Stars (1903) is a novel by Irish author Bram Stoker. Written during a period of increased interest in Egyptology across Europe, The Jewel of Seven Stars helped to establish the

Irish master of Gothic horror's reputation as a leading writer of the early-twentieth century. In the middle of the night, a young lawyer is roused from sleep by Margaret Trelawny. At her urgent request, he accompanies her to the house of her father, Abel Trelawny, a world-renowned Egyptologist. There, Ross discovers the archaeologist unconscious and in a trance-like state on the floor of his bedroom, surrounded by strange and horrifying artifacts. After reading a note left by Trelawny instructing them not to wake him, the group takes turns watching over the injured man. Several nights later, a man arrives who reveals himself to be Eugene Corbeck, a colleague of Trelawny's who has only recently returned from Egypt. He shares with them the story of their discovery years before of Queen Tera's tomb. By taking the sarcophagus, the pair unlocked an ancient curse, and have since been struggling to fulfill the prophesy recorded on the wall of the tomb—the resurrection of the Queen. The Jewel of Seven Stars demonstrates not only Stoker's detailed research of contemporary Egyptology, but an undeniable mastery of horror. Blending nineteenth-century Gothic themes with twentieth-century concerns regarding the legacy of British imperialism, Stoker's novel is an artifact itself, and a highly entertaining one at that. With a beautifully designed cover and professionally typeset manuscript, this edition of Bram Stoker's *The Jewel of Seven Stars* is a classic of Irish literature reimagined for modern readers.

Versions of some of the papers were presented at the symposium held in Professor Walker's memory at Birkbeck College in October 1999.
