Valeria's Last Stand Marc Fitten,2010-09-05 Don't miss Marc Fitten's newest book, Elza's Kitchen, available in July, 2012. When it comes to the sizes of fishes and ponds, Valeria is a whale in a thimble. She harrumphs her daily way through her backwater Hungarian village, finding equal fault with the new, the old, the foreign and the familiar. Her decades of universal contempt have turned her into a touchstone of her little community - whatever she scorns the least must be the best, after all. But, on a day like any other, her spinster's heart is struck by an unlikely arrow: the village potter, long-known and little-noticed, captures her fancy, and Valeria finds herself suddenly cast in a new role she never expected to play. This one deviation from character, this one loose thread, is all it takes for the delicately woven fabric of village life to unravel. And, for the first time in a long time, Valeria couldn't care less. Valeria's Last Stand is a joyfully wise small-town satire that takes an hilariously honest look at later-in-life romance and the notion that it's never too late to start anew.

I, Valeria Brian Reeder,2007-10-30 An old, powerful queen lies on her deathbed. A stranger, an Eastern prince, arrives at her court to bring her to a new life. Playing on her vanity and fear, the stranger gives her his blood and a new chapter begins for her, at the ending of a long and fruitful life. She had ruled her empire with all her heart and mind, and now, drained of all energy, she would retire in the only way that a monarch can; she would die. Yet fate had other things in mind. A powerful clan of blood drinkers have been watching her, and guided by other, greater forces, they have decided to make of her a warrior for their own schemes. Yet, destiny will intervene and carry her on a much greater journey, beyond those petty schemes, taking her further into the past and future than she could have ever believed. With all her illusions shattered, our great queen will find a world much different than she ever thought possible. Embracing this world, she will become something far greater than her maker. Told the story of the ages and trained in the oldest of arts, she will become the purveyor of dreams. Come now into a magical world, a world of myth and legend. Stalk the night and hunt your prey. Come to the Fairie mound and fly in the open sky. Travel the stars and learn the hidden history of the planet Art, which you call Earth. The ancient races of Art and ANWN await you with their stories,..and their agendas.

Alone, that dark and primitive part of him noted with satisfaction. She strolled toward the dance floor, clothed in a simple green dress that flowed like water over her lush curves. The late afternoon sun touched her rich brown hair with golden highlights. She'd left it unbound so that it swayed to and fro over her breasts. He stared at her, mesmerized, chest tight. All around the dance floor, unmated males did the same. Spines straightened and stomachs sucked in. A dozen hungry gazes ran over her voluptuous body. Rui rumbled a warning.
