*That Winter* Pamela Gillilan,1986 Pamela Gillilan was born in London in 1918, married in 1948 and moved to Cornwall in 1951. When she sat down to write her poem Come Away after the death of her husband David, she had written no poems for a quarter of a century. Then came a sequence of incredibly moving elegies. Other poems followed, and two years after starting to write again, she won the Cheltenham Festival poetry competition. Her first collection *That Winter* (Bloodaxe, 1986) was shortlisted for the Commonwealth Poetry Prize.

Moon-face and Other Stories Jack London,1906 JACK LONDON (1876-1916), American novelist, born in San Francisco, the son of an itinerant astrologer and a spiritualist mother. He grew up in poverty, scratching a living in various legal and illegal ways -robbing the oyster beds, working in a canning factory and a jute mill, serving aged 17 as a common sailor, and taking part in the Klondike gold rush of 1897. This various experience provided the material for his works, and made him a socialist. The son of the Wolf (1900), the first of his collections of tales, is based upon life in the Far North, as is the book that brought him recognition, *The Call of the Wild* (1903), which tells the story of the dog Buck, who, after his master's death, is lured back to the primitive world to lead a wolf pack. Many other tales of struggle, travel, and adventure followed, including *The Sea-Wolf* (1904), *White Fang* (1906), *South Sea Tales* (1911), and *Jerry of the South Seas* (1917). One of London's most interesting novels is the semi-autobiographical *Martin Eden* (1909). He also wrote socialist treatises, autobiographical essays, and a good deal of journalism.

**The Dare** Harley Laroux,2023-10-31 Jessica Martin is not a nice girl. As Prom Queen and Captain of the cheer squad,

she'd ruled her school mercilessly, looking down her nose at everyone she deemed unworthy. The most unworthy of them all? The freak, Manson Reed: her favorite victim. But a lot changes after high school. A freak like him never should have ended up at the same Halloween party as her. He never should have been able to beat her at a game of Drink or Dare. He never should have been able to humiliate her in front of everyone. Losing the game means taking the dare: a dare to serve Manson for the entire night as his slave. It's a dare that Jessica's pride - and curiosity - won't allow her to refuse. What ensues is a dark game of pleasure and pain, fear and desire. Is it only a game? Only revenge? Only a dare? Or is it something more? The Dare is an 18+ erotic romance novella and a prequel to the Losers Duet. Reader discretion is strongly advised. This book contains graphic sexual scenes, intense scenes of BDSM, and strong language. A full content note can be found in the front matter of the book.

**The Sixth Station** Linda Stasi, 2013-12-01 Some say Demiel ben Yusef is the world's most dangerous terrorist, personally responsible for bombings and riots that have claimed the lives of thousands. Others insist he is a man of peace, a miracle worker, and possibly even the Son of God. His trial in New York City for crimes against humanity attracts scores of protestors, as well as media and religious leaders from around the world. Cynical reporter Alessandra Russo heads to the UN hoping for a piece of the action, but soon becomes entangled in controversy and suspicion when ben Yusef singles her out for attention among all other reporters. As Alessandra begins digging into ben Yusef's past, she is already in more danger than she knows—and when she is falsely accused of murder during her investigation, she is forced to flee New York. On the run from unknown enemies, Alessandra finds herself on the trail of a global conspiracy and a story that could shake the world to its foundations. Is Demiel ben Yusef the Second Coming or the Antichrist? The truth may lie in the secret history of the Holy Family, a group of Templars who defied the church, and a mysterious relic stained with the sacred blood of Christ Himself.

*Language in the Digital Era. Challenges and Perspectives* Daniel Dejica, Gyde Hansen, Peter Sandrini, Iulia Para, 2016-06-20 This collected volume brings together the contributions of several humanities scholars who focus on the evolution of language in the digital era. The first part of the volume explores general aspects of humanities and linguistics in the digital environment. The second part focuses on language and translation and includes topics that discuss the digital translation policy, new technologies and specialised translation, online resources for terminology management, translation of online advertising, or subtitling. The last part of the book focuses on language teaching and learning and addresses the changes, challenges and perspectives of didactics in the age of technology. Each contribution is divided into several sections that present the state of the art and the methodology used, and discuss the results and perspectives of the authors. The book is recommended to scholars, professionals, students and anyone interested in the changes within the humanities in conjunction with technological innovation or in the ways language is adapting to the challenges of today's digitized world.

*The Dalston Synagogue* D Wasserzug,2023-07-18 This comprehensive history of the Dalston Synagogue offers readers an in-depth account of the development of one of London's most iconic Jewish institutions. Drawing on careful research and firsthand accounts, the author provides a detailed examination of the synagogue's architecture, services, and community involvement over the centuries. **Kubrick's Men** Richard Rambuss,2021-03-02 A provocative re-reading of Stanley Kubrick's work and its focus on masculine desire The work of Stanley Kubrick amounts to a sustained reflection on the male condition: past, present, and future. The persistent theme of his filmmaking is less violence or sex than it is the pressurized exertion of masculinity in unusual or extreme circumstances, where it may be taxed or exaggerated to various effects, tragic and comic—or metamorphosed, distorted, and even undone. The stories that Kubrick's movies tell range from global nuclear politics to the unpredictable sexual dynamics of a marriage; from a day in the life of a New York City prizefighter preparing for a nighttime bout to the evolution of humankind. These male melodramas center on sociality and asociality. They feature male doubles, pairs, and rivals. They explore the romance of men and their machines, and men as machines. They figure intensely conflicted forms of male sexual desire. And they are also very much about male manners, style, taste, and art. Examining the formal, thematic, and theoretical affiliations between Kubrick's three bodies of work—his photographs, his documentaries, and his feature films—Kubrick's Men offers new vantages on to the question of gender and sexuality, including the first extended treatment of homosexuality in Kubrick's male-oriented work.

**Zachariah Collins** Annie Garland Parker, 1997-08 After being urged by a cousin, Anne Parker began her research into Zachariah Collins, who was born in Dublin Ireland, in 1752. Coming to America in 1752, he enlisted in the Army, to support the American Revolution. Short pages do not mean short information. Including a biography of the Collins family, the origin of the surname, Revolutionary War Files, and extent research was done to ensure the authenticity of the information gathered.

Apocalypse Jacques Ellul, 2020-05-05 "There has never been a book provoking more delirium, foolishness and irrational movements, without any relationship to Jesus Christ [than the Book of Revelation]." —Jacques Ellul, Introduction Known for his trenchant critique of modernity and of those Christians who celebrate their captivity to it, Ellul here cuts to the heart of the theological intention of the Book of Revelation, and thereby reveals the liberating gospel in all its offensiveness. Neither an exhaustive commentary nor a work of historical-exegetical analysis, Apocalypse is a provocative, independent interpretation. Ellul seeks to rescue Revelation from the reassuring and orthodox banality to which commentators often reduce it. The goal is to perceive the totality of the book in its movement and structure. "Architecture in movement" is the key to understanding Revelation's puzzling but simple message. This edition also comes with a new foreword by Jacob Marques Rollison who provides an essential aid for guiding readers through Ellul's thorough engagement with Revelation.
