Brass Bands of the World: Militarism, Colonial Legacies, and Local Music Making Suzel Ana Reily,Katherine Brucher,2016-04-15 Bands structured around western wind instruments are among the most widespread instrumental ensembles in the world. Although these ensembles draw upon European military traditions that spread globally through colonialism, militarism and missionary work, local musicians have adapted the brass band prototype to their home settings, and today these ensembles are found in religious processions and funerals, military manoeuvres and parades, and popular music genres throughout the world. Based on their expertise in ethnographic and archival research, the contributors to this volume present a series of essays that examine wind band cultures from a range of disciplinary perspectives, allowing for a comparison of band cultures across geographic and historical fields. The themes addressed encompass the military heritage of band cultures; local appropriations of the military prototype; links between bands and their local communities; the spheres of local band activities and the modes of sociability within them; and the role of bands in trajectories toward professional musicianship. This book will appeal to readers with an interest in ethnomusicology, colonial and post-colonial studies, community music practices, as well as anyone who has played with or listened to their local band.

Chasing the Sun Deluxe Juanes,2013-04-02 The deluxe e-book edition of Chasing the Sun includes rare, behind-the-scenes video footage of superstar Juanes's early career, shows and concerts, recordings, personal life, and more. Interspersed throughout the text are exclusive interview clips that further explore the passion and truth found in Juanes's words and offer a true glimpse of the man behind the music. "I'm doing what I believe I was brought to this world to do: to create music that raises awareness, renews hearts, and generates change. I'll continue looking to the stars and traveling the

globe as God permits me. And I hope I have many years left to connect through art, to play my guitar, and to continue chasing the sun.”—Juanes In *Chasing the Sun*, the international music icon and humanitarian shares the incredible story of his life and how music and faith guided his path. In his own un-adulterated words, and with visually arresting images throughout—some of them never before seen—Juanes imparts his defining moments from childhood to present day, reflecting on his spiritual and musical journey and the personal and professional experiences that shaped the man he is today. Born and raised in Colombia, Juanes developed his deep love of music from his family and learned to play guitar at an early age. By age sixteen, he became a founding member, lead guitarist, vocalist, and song-writer for Ekymosis, which went on to become Colombia’s leading hard-rock band. However, it was his career as a solo artist that propelled him toward international superstardom. With great honesty, Juanes reveals how his times of glory were often intersected by times of doubt and soul-searching and how remaining true to his beliefs and passionate about his art gave him the strength and foresight to reinvent himself and his career. While his role as a recording artist is well documented, the very private Juanes has never opened up in his own words—until now.

The chances of global peace seem stronger now than at any time since 1900 and the people and organizations that have contributed most towards this progress are recognized by the Norwegian Nobel Committee. The Nobel Peace Prizewinners during the period 1971 - 1980 include men, women and organizations whose principles, dedication and diligence continue to shape history. **Didn't it rain piano, vocal, guitar** Hugh Laurie,2013-06-28 Das neue Album des bekannten Schauspielers (äDr. Houseä) und versierten Musikers verfolgt den Weg des Blues. Etliche Klassiker nahmen sich Hugh Laurie und Produzent Joe Henry vor und interpretierten diese neu. Unter den Gästen ist auch Bluesaltmeister Taj Mahal. äDas hier ist ohne

Übertreibung mit Abstand das eigenständigste und interessanteste Roots-Album eines zeitgenössischen Genre-Interpreten seit Langem. Alles, was hier glänzt, ist nicht mal Gold, sondern pures Platin ... Als versierter Pianoman mit hochemotionalem Anschlag darf man Laurie getrost ins Regal neben den Hellboy des Blues, Tom Waits, stellen. Ob Spurenelemente von Klassik, ein fetter Barrelhouse-Touch oder gelegentlicher Honkytonk: Er liebt sein Instrument wie ein eigenes Kind und behandelt es auch so ... Am Ende der Scheibe steht man sabbernd da und fragt sich und Laurie, warum dieser hervorragende Musiker nicht schon seit Jahrzehnten Schallplatten aufnimmtä ([www.laut.de](http://www.laut.de)).

**"Irony, Satire, Parody and the Grotesque in the Music of Shostakovich "** Esti Sheinberg, 2017-07-05 The music of Shostakovich has been at the centre of interest of both the general public and dedicated scholars throughout the last twenty years. Most of the relevant literature, however, is of a biographical nature. The focus of this book is musical irony. It offers new methodologies for the semiotic analysis of music, and inspects the ironical messages in Shostakovich's music independently of political and biographical bias. Its approach to music is interdisciplinary, comparing musical devices with the artistic principles and literary analyses of satire, irony, parody and the grotesque. Each one of these is firstly inspected and defined as a separate subject, independent of music. The results of these inspections are subsequently applied to music, firstly music in general and then more specifically to the music of Shostakovich. The composer's cultural and historical milieux are taken into account and, where relevant, inspected and analysed separately before their application to the music.

**A Knight's Vow** Lynn Kurland, Patricia Potter, Deborah Simmons, Glynnis Campbell, 2001-09-01 Fantasies are made of knights in shining armor. Men whose ferocity in battle was tempered by a code of chivalry...whose passions brought them to their knees before the women they desired...whose loyalty and honor never wavered—and whose vows were never broken. These are the men of our dreams—and now you can find them in four breathtaking Medieval tales by today's most acclaimed writers of historical romance... In Lynn Kurland's *The Traveller*, a bedraggled knight makes a solemn vow to protect, defend, and rescue any and all maidens in distress—even those from Manhattan. A vow to marry for love transforms a marquis into a minstrel who must sing for his supper—and for a woman whose heart is true in Patricia Potter's *The Minstrel*. In Deborah Simmons' *The Bachelor Knight*, a forgotten vow comes back to haunt the greatest knight in all the land, when a fair maiden asks for his hand in marriage. Trapped underground with his unwilling betrothed, a determined knight vows to free her—body and soul in Glynnis Campbell's *The Siege*.
