Born to Run Christopher McDougall, 2010-12-09 A New York Times bestseller 'A sensation ... a rollicking tale well told' - The Times At the heart of Born to Run lies a mysterious tribe of Mexican Indians, the Tarahumara, who live quietly in canyons and are reputed to be the best distance runners in the world; in 1993, one of them, aged 57, came first in a prestigious 100-mile race wearing a toga and sandals. A small group of the world's top ultra-runners (and the awe-inspiring author) make the treacherous journey into the canyons to try to learn the tribe's secrets and then take them on over a course 50 miles long. With incredible energy and smart observation, McDougall tells this story while asking what the secrets are to being an incredible runner. Travelling to labs at Harvard, Nike, and elsewhere, he comes across an incredible cast of characters, including the woman who recently broke the world record for 100 miles and for her encore ran a 2:50 marathon in a bikini, pausing to down a beer at the 20 mile mark.

Stabat Mater Tiziano Scarpa, 2011-08-25 The female musicians of the Istituto della Piet play from a gallery in the church, their faces half hidden by metal grilles. They live segregated from the world. Cecilia, is a violinist who, during anguished, sleepless nights, writes letters to the mother she never knew, haunted by her and hating her by turns. She eats little and cannot sleep. But things begin to change when a new violin teacher arrives at the institute. The astonishing music of Vivaldi, the 'Red Priest', electrifies her and changes her attitude to life, compelling her to make a courageous choice.

The Reef Juan Villoro, 2017-05-30 A Caribbean resort specializing in faked cartel kidnappings is the site for Villoro's profound and satirical murder mystery. Amidst stagings of guerilla warfare, rumors of killer bees and encroaching cartel activity, recovering ex-rocker, Tony Góngora, attempts to solve the mystery of an American scuba-diver's murder. As he tries to piece together the events of the crime, Tony uncovers his own bizarre and illuminating memories: of a fatherless childhood spent in the high-risk company of his eccentric friend and the hotel's manager; playing gigs with The Velvet Underground; joining a Japanese pop group. Against the backdrop of a deteriorating climate, a fast-eroding beachfront, official corruption, cartel violence, and delusional Western escapism, Tony and an international cast of hotel staffers make and break alliances as the personal begins to echo the political, and artifice and reality start to blur. With his signature wit, originality, and

dashes of dazzling social theory, Villoro has created a biting satire of tourism and a brilliant analogy for Mexico's unique position in global politics.

Glaxo Hernan Ronsino, 2017-01-17 Glaxo is a chilling novel of betrayal, romance, and murder, from a major Latin American writer being published in English for the first time. In a derelict town in Argentina's pampa, a decades-old betrayal simmers among a group of friends. One returns from serving time for a crime he didn't commit; another, a policeman with ties to the military regime, discovers his wife's infidelity; a third lays dying. And an American missionary has been killed. But what happened among these men? Spinning through a series of voices and timelines, Glaxo reveals a chilling story of four boys who grow up breaking horses and idolizing John Wayne, only to become adults embroiled in illicit romances, government death squads, and, ultimately, murder. Around them, the city falls apart. Both an austere drama and a suspenseful whodunit, Glaxo crackles with tension and mystery. And it marks the stunning English-language debut of a major Latin American writer.

International Film Musical Corey K Creekmur, 2013-01-11 A unique study of the film musical, a global cinema tradition.

"Irony, Satire, Parody and the Grotesque in the Music of Shostakovich " Esti Sheinberg, 2017-07-05 The music of Shostakovich has been at the centre of interest of both the general public and dedicated scholars throughout the last twenty years. Most of the relevant literature, however, is of a biographical nature. The focus of this book is musical irony. It offers new methodologies for the semiotic analysis of music, and inspects the ironical messages in Shostakovich's music independently of political and biographical bias. Its approach to music is interdisciplinary, comparing musical devices with the artistic principles and literary analyses of satire, irony, parody and the grotesque. Each one of these is firstly inspected and defined as a separate subject, independent of music. The results of these inspections are subsequently applied to music, firstly music in general and then more specifically to the music of Shostakovich. The composer's cultural and historical milieux are taken into account and, where relevant, inspected and analysed separately before their application to the music.

What Comes After Farce Hal Foster, 2020-05-19 If farce follows tragedy, what follows farce? Where does the double predicament of a post-truth and post-shame politics leave artists and critics on the left? How to demystify a hegemonic order that dismisses its own contradictions? How to belittle a political elite that cannot be embarrassed, or to mock party leaders who thrive on the absurd? How to out-dada President Ubu? And, in any event, why add outrage to a media economy that thrives on the same? What Comes After Farce? comments on shifts in art, criticism, and fiction in the face of the current regime of war, surveillance, extreme inequality, and media disruption. A first section focuses on the cultural politics of emergency since 9/11, including the use and abuse of trauma, paranoia, and kitsch. A second reviews the neoliberal makeover of art institutions during the same period. Finally, a third section surveys transformations in media as reflected in

recent art, film, and fiction. Among the phenomena explored here are machine vision (images produced by machines for other machines without a human interface), operational images (images that do not represent the world so much as intervene in it), and the algorithmic scripting of information so pervasive in our everyday lives.

Children in Reindeer Woods Kristín Ómarsdóttir, 2012 11 year old Billie lives in a 'temporary home for children', one afternoon, to her surprise, she discovers that it is the middle of a war zone. When a small group of paratroopers kill everyone who lives there and then turn on each other, Billie is forced to learn to live with the violent, innocent and troubled Rafael, who decides to abandon the soldier's life and become a farmer. This haunting tale juxtaposes pastoral imagery with the terrors of war, creating a modern fable that exposes the absurdity of war.

Redeeming Laughter Peter L. Berger, 2014-10-14 Amid the variety of human experiences, the comic occupies a distinctive place. It is simultaneously ubiquitous, relative, and fragile. In this book, Peter L. Berger reflects on the nature of the comic and its relationship to other human experiences. Berger contends that the comic is an integral aspect of human life, yet one that must be approached and analyzed circumspectly and circuitously. Beginning with an exploration of the anatomy of the comic, Berger addresses humor in philosophy, physiology, psychology, and the social sciences before turning to a discussion of different types of comedy and finally suggesting a theology of the comic in terms of its relationship to folly, redemption, and transcendence. Along the way, the reader is treated to a variety of jokes on a variety of topics, with particular emphasis on humor and its relationship to religion. Originally published in 1997, the second edition includes a new preface reflecting on Berger's work in the intervening years, particularly on the relationship between humor and modernity.

The Dare Harley Laroux, 2023-10-31 Jessica Martin is not a nice girl. As Prom Queen and Captain of the cheer squad, she'd ruled her school mercilessly, looking down her nose at everyone she deemed unworthy. The most unworthy of them all? The freak, Manson Reed: her favorite victim. But a lot changes after high school. A freak like him never should have ended up at the same Halloween party as her. He never should have been able to beat her at a game of Drink or Dare. He never should have been able to humiliate her in front of everyone. Losing the game means taking the dare: a dare to serve Manson for the entire night as his slave. It's a dare that Jessica's pride - and curiosity - won't allow her to refuse. What ensues is a dark game of pleasure and pain, fear and desire. Is it only a game? Only revenge? Only a dare? Or is it something more? The Dare is an 18+ erotic romance novella and a prequel to the Losers Duet. Reader discretion is strongly advised. This book contains graphic sexual scenes, intense scenes of BDSM, and strong language. A full content note can be found in the front matter of the book.

The Year of the Crab Gordon Meade, 2017-10-02 The power of the poetry in *The Year of the Crab* lies in the simplicity of the language, and the bald yet beautiful and touching observations made by Gordon Meade during the year following his cancer diagnosis.

The White Kepi Walter Kanitz, 2017-06-28 Heroic figures galloping across the loose sands of the Sahara, their flowing white kepis a symbol of the highest romance and adventure...or murderers and human derelicts, rejected by society and hunted by the police, seeking escape from prison in the ranks of the Légion Étrangère? Neither picture—so commonly held by the general public—is even partially accurate, writes Walter Kanitz. During World War II, Walter Kanitz fought with the Foreign Legion in Africa. He has done a vast amount of research and reading about the Legion, and has made every possible effort to check his facts. His book represents the first comprehensive and objective history of the French Foreign Legion since its inception in 1831 by the royal decree of Louis Philippe. For the better part of its history, the Foreign Legion, remote, fascinating, somewhat sinister, has been shrouded in mystery. It has been called everything from “Desert Carrion” to the “Legion of Beggars.” It was often said that “dogs bark when the Legion passes.” Yet, in battle, the Légionnaires are famed for a courage and heroism that knows no fear of death. They are considered by most professional soldiers to be, as a unit, the best fighting force in the world. When a new recruit applies for enlistment, he is made to wait 24 hours to reconsider his decision. The ranks are made up of men of all nationalities—Germans, Poles, Czechs, Slavs, Spaniards, Americans. It is the only army in existence today made up of mercenaries who have voluntarily signed to serve five years for the government of France. The discipline is harsh and the pay meager. The call to battle has taken Legion units from Mexico to Norway, from China to Morocco. Outside of battle, life consists of infinite boredom broken only by alcohol and an occasional woman. And yet, says ex-Légionnaire Kanitz, “Qu’importe, quand la Légion passe, que les chiens viennent aboyer après d’elle! Vive la Légion!”

Hadassah Tommy Tenney, Mark Andrew Olsen, 2004 Vibrantly brings to life the extraordinary story of Hadassah, a beautiful peasant girl who, after chosen to become Esther, queen of Persia, gains favor with the king and saves her people, in an exciting historical novel set in pre-Islamic Persia. Reissue.
