Transformations of Romanness Walter Pohl, Clemens Gantner, Cinzia Grifoni, Marianne Pollheimer-Mohaupt, 2018-07-09 Roman identity is one of the most interesting cases of social identity because in the course of time, it could mean so many different things: for instance, Greek-speaking subjects of the Byzantine empire, inhabitants of the city of Rome, autonomous civic or regional groups, Latin speakers under 'barbarian' rule in the West or, increasingly, representatives of the Church of Rome. Eventually, the Christian dimension of Roman identity gained ground. The shifting concepts of Romanness represent a methodological challenge for studies of ethnicity because, depending on its uses, Roman identity may be regarded as 'ethnic' in a broad sense, but under most criteria, it is not. Romanness is indeed a test case how an established and prestigious social identity can acquire many different shades of meaning, which we would class as civic, political, imperial, ethnic, cultural, legal, religious, regional or as status groups. This book offers comprehensive overviews of the meaning of Romanness in most (former) Roman provinces, complemented by a number of comparative and thematic studies. A similarly wide-ranging overview has not been available so far.

Finnegans Wake James Joyce, 2024-03-22 James Joyce's *Finnegans Wake* is a literary masterpiece that defies conventional description. Published in 1939, this enigmatic novel stands as one of the most complex and challenging works in the English language. Set in a dream-like landscape, *Finnegans Wake* delves into the subconscious mind, blurring the boundaries between reality and myth, language and music, past and present. At its heart lies the story of the mythical figure of HCE (Here Comes Everybody), his wife ALP (Anna Livia Plurabelle), and their children, as they navigate a world teeming with cryptic allusions, linguistic puzzles, and literary references. Through a kaleidoscopic blend of languages, dialects, and wordplay, Joyce crafts a narrative that is both bewildering and mesmerizing. *Finnegans Wake* is a linguistic tour de force, challenging readers to unravel its intricate layers of meaning and interpretation. It is a work that invites exploration, experimentation, and endless speculation, leaving an indelible mark on the landscape of modern literature. Joyce's magnum

opus continues to fascinate and perplex readers, cementing its place as a seminal work of British literary history. JAMES JOYCE [1882-1941], Irish author, is a key figure in modernist literature with works such as *Dubliners* [1914], *A Portrait of the Artist as a Young Man* [1916], and *Ulysses* [1922].

New Trends in Audiovisual Translation Jorge Díaz Cintas, 2009-04-15 *New Trends in Audiovisual Translation* is an innovative and interdisciplinary collection of articles written by leading experts in the emerging field of audiovisual translation (AVT). In a highly accessible and engaging way, it introduces readers to some of the main linguistic and cultural challenges that translators encounter when translating films and other audiovisual productions. The chapters in this volume examine translation practices and experiences in various countries, highlighting how AVT plays a crucial role in shaping debates about languages and cultures in a world increasingly dependent on audiovisual media. Through analysing materials which have been dubbed and subtitled like *Bridget Jones's Diary*, *Forrest Gump*, *The Simpsons* or *South Park*, the authors raise awareness of current issues in the study of AVT and offer new insights on this complex and vibrant area of the translation discipline.

Those Barren Leaves Aldous Huxley, 2022-03-04T03:01:11Z Mrs. Aldwinkle, an English aristocrat of a certain age, has purchased a mansion in the Italian countryside. She wishes to bring a salon of intellectual luminaries into her orbit, and to that end she invites a strange cast of characters to spend time with her in her palazzo: Irene, her young niece; Ms. Thriplow, a governess-turned-novelist; Mr. Calamy, a handsome young man of great privilege and even greater ennui; Mr. Cardan, a worldly gentleman whose main talent seems to be the enjoyment of life; Hovenden, a young motorcar-obsessed lord with a speech impediment; and Mr. Falx, a socialist leader. To this unlikely cast is soon added Mr. Chelifer, an author with an especially florid, overwrought style that is wasted on his day job as editor of *The Rabbit Fancier's Gazette*, and the Elvers, a scheming brother who is the guardian of his mentally-challenged sister. As this unlikely group mingles, they discuss a great many grand topics: love, art, language, life, culture. Yet very early on the reader comes to realize that behind the pompousness of their elaborate discussions lies nothing but vacuity—these characters are a satire of the self-important intellectuals of Huxley's era. His skewering of their intellectual barrenness continues as the group moves on to a trip around the surrounding country, in a satire of the Grand Tour tradition. The party brings their English snobbery out in full force as they traipse around Rome, sure of nothing else except in their belief that Italy is culturally superior simply because it's Italy. As the vacation winds down, we're left with a biting lampoon of the elites who suppose themselves to be at the height of art and culture—the kinds of personalities that arise in every generation, sure of their own greatness but unable to actually contribute anything to the world of art and culture that they feel is so important. Twelve Years a Slave Solomon Northup,2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US,on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

Architectural Invention in Renaissance Rome Yvonne Elet, 2017-10-31 Villa Madama, Raphael's late masterwork of architecture, landscape, and decoration for the Medici popes, is a paradigm of the Renaissance villa. The creation of this important, unfinished complex provides a remarkable case study for the nature of architectural invention. Drawing on little known poetry describing the villa while it was on the drawing board, as well as ground plans, letters, and antiquities once installed there, Yvonne Elet reveals the design process to have been a dynamic, collaborative effort involving humanists as well as architects. She explores design as a self-reflexive process, and the dialectic of text and architectural form, illuminating the relation of word and image in Renaissance architectural practice. Her revisionist account of architectural design as a process engaging different systems of knowledge, visual and verbal, has important implications for the relation of architecture and language, meaning in architecture, and the translation of idea into form.

[A Life in Three Acts](#) Bette Bourne, Mark Ravenhill, 2010-04-16 With honesty, humour and occasional anger, performer Bette Bourne tells the playwright Mark Ravenhill about his brave and flamboyant life. Crafted from transcripts of a series of long, private conversations, actor Bette Bourne reminisces and replays scenes from his life from a postwar childhood, a stint as a classical actor in the late 60s, to living in a drag commune in Notting Hill and being an active member of the Gay Liberation Front. Bette then talks about his touring with the New York based Hot Peaches cabaret group and founding his own cabaret troop, Bloopips, which redefined the term gay theatre by creating their very own unique celebration of dramatic and colourful homosexuality. The piece, in three parts, marks a different series of events in Bette's life to reveal both a portrait of a pioneering, radical individual and a historical document of the struggles and achievements of gay liberation.
