Narcoland Anabel Hernandez, 2013-09-10 The product of five years' investigative reporting, the subject of intense national controversy, and the source of death threats that forced the National Human Rights Commission to assign two full-time bodyguards to its author, Anabel Hernández, *Narcoland* has been a publishing and political sensation in Mexico. The definitive history of the drug cartels, *Narcoland* takes readers to the front lines of the "war on drugs," which has so far cost more than 60,000 lives in just six years. Hernández explains in riveting detail how Mexico became a base for the mega-cartels of Latin America and one of the most violent places on the planet. At every turn, Hernández names names – not just the narcos, but also the politicians, functionaries, judges and entrepreneurs who have collaborated with them. In doing so, she reveals the mind-boggling depth of corruption in Mexico's government and business elite. Hernández became a journalist after her father was kidnapped and killed and the police refused to investigate without a bribe. She gained national prominence in 2001 with her exposure of excess and misconduct at the presidential palace, and previous books have focused on criminality at the summit of power, under presidents Vicente Fox and Felipe Calderón. In awarding Hernández the 2012 Golden Pen of Freedom, the World Association of Newspapers and News Publishers noted, "Mexico has become one of the most dangerous countries in the world for journalists, with violence and impunity remaining major challenges in terms of press freedom. In making this award, we recognize the strong stance Ms. Hernández has taken, at great personal risk, against drug cartels."

The Dare Harley Laroux, 2023-10-31 Jessica Martin is not a nice girl. As Prom Queen and Captain of the cheer squad, she'd ruled her school mercilessly, looking down her nose at everyone she deemed unworthy. The most unworthy of them all? The freak, Manson Reed: her favorite victim. But a lot changes after high school. A freak like him never should have ended up at the same Halloween party as her. He never should have been able to beat her at a game of Drink or Dare. He never should have been able to humiliate her in front of everyone. Losing the game means taking the dare: a dare to serve Manson for the entire night as his slave. It's a dare that Jessica's pride - and curiosity - won't allow her to refuse. What ensues is a dark game of pleasure and pain, fear and desire. Is it only a game? Only revenge? Only a dare? Or is it something more? *The Dare* is an 18+ erotic romance novella and a prequel to the *Losers Duet*. Reader discretion is strongly advised. This book contains

graphic sexual scenes, intense scenes of BDSM, and strong language. A full content note can be found in the front matter of the book.

Sissy Dreams: From Boyfriend to Girlfriend Paul Zante, Receiving a text from Sasha, my girlfriend, at work was always risky. Especially when she wanted to know if her girlfriend was horny. A short and sweet (and filthy) story.

**Characters in Fictional Worlds** Jens Eder, Fotis Jannidis, Ralf Schneider, 2010-11-19 Although fictional characters have long dominated the reception of literature, films, television programs, comics, and other media products, only recently have they begun to attract their due attention in literary and media theory. The book systematically surveys today's diverse and at times conflicting theoretical perspectives on fictional character, spanning research on topics such as the differences between fictional characters and real persons, the ontological status of characters, the strategies of their representation and characterization, the psychology of their reception, as well as their specific forms and constellations in - and across - different media, from the book to the internet.

**Maradona** Diego Armando Maradona, 2011-02-08 Argentina history book about the controversial Diego Maradona A soccer biography for kids Follows the author's journey from childhood to 1994 "Sometimes I think that my whole life is on film, that my whole life is in print. But it's not like that. There are things which are only in my heart—that no one knows. At last I have decided to tell everything." —Diego Maradona Diego Maradona went from a poor boy in a Buenos Aires shanty town to a genius with the soccer ball. He kicked his way to the top of South American, European, and world soccer, but his battles with the many pressures of life inside and outside the game consistently threatened to tear his legend and his spirit down. He is one of many famous soccer players, but one of only a few to write their own soccer autobiography. Villain or hero, one thing about Maradona is clear: he was the best soccer player of his generation and possibly of all time. He has never shared his remarkable story in his own words—until this autobiography. From his poverty-stricken origins to his greatest successes on the field, Maradona remembers, with frankness and insight, the most impactful moments of his life. These include the pressures of being a child prodigy, the infamous semi-final game against England in the 1986 World Cup, an amazing turn-around and the dream-turned-sour at Napoli, and the disgrace and shame of his positive drug test at USA 1994. In this brutally honest autobiography, readers glimpse the inner thoughts of one of the most controversial, talented, and complex professional athletes of the times. He was a man divided between the demands of his corporate club bosses, the media, the fans, and his own tempestuous personal life. With a new epilogue that updates Maradona's amazing story and includes over 80 delightful photographs, Maradona is a confessional, a revelation, an apology, and a celebration.

**Mazeppa** George Gordon Byron Baron Byron, 1819 Byron's romantic narrative poem about Mazeppa, the hero of the story, who is strapped naked to a horse in punishment for his affair with a married countess. This volume also contains a

fragment of a novel that is widely considered to be one of the first vampire stories in English literature.

**For Love or Money** Nancy Folbre, 2012-09-06 As women moved into the formal labor force in large numbers over the last forty years, care work – traditionally provided primarily by women – has increasingly shifted from the family arena to the market. Child care, elder care, care for the disabled, and home care now account for a growing segment of low-wage work in the United States, and demand for such work will only increase as the baby boom generation ages. But the expanding market provision of care has created new economic anxieties and raised pointed questions: Why do women continue to do most care work, both paid and unpaid? Why does care work remain low paid when the quality of care is so highly valued? How effective and equitable are public policies toward dependents in the United States? In *For Love and Money*, an interdisciplinary team of experts explores the theoretical dilemmas of care provision and provides an unprecedented empirical overview of the looming problems for the care sector in the United States. Drawing on diverse disciplines and areas of expertise, *For Love and Money* develops an innovative framework to analyze existing care policies and suggest potential directions for care policy and future research. Contributors Paula England, Nancy Folbre, and Carrie Leana explore the range of motivations for caregiving, such as familial responsibility or limited job prospects, and why both love and money can be efficient motivators. They also examine why women tend to specialize in the provision of care, citing factors like job discrimination, social pressure, or the personal motivation to provide care reported by many women. Suzanne Bianchi, Nancy Folbre, and Douglas Wolf estimate how much unpaid care is being provided in the United States and show that low-income families rely more on unpaid family members for their child and for elder care than do affluent families. With low wages and little savings, these families often find it difficult to provide care and earn enough money to stay afloat. Candace Howes, Carrie Leana and Kristin Smith investigate the dynamics within the paid care sector and find problematic wages and working conditions, including high turnover, inadequate training and a “pay penalty” for workers who enter care jobs. These conditions have consequences: poor job quality in child care and adult care also leads to poor care quality. In their chapters, Janet Gornick, Candace Howes and Laura Braslow provide a systematic inventory of public policies that directly shape the provision of care for children or for adults who need personal assistance, such as family leave, child care tax credits and Medicaid-funded long-term care. They conclude that income and variations in states’ policies are the greatest factors determining how well, and for whom, the current system works. Despite the demand for care work, very little public policy attention has been devoted to it. Only three states, for example, have enacted paid family leave programs. Paid or unpaid, care costs those who provide it. At the heart of *For Love and Money* is the understanding that the quality of care work in the United States matters not only for those who receive care but also for society at large, which benefits from the nurturance and maintenance of human capabilities. As care work gravitates from the family to the formal economy, this volume clarifies the pressing need for America to fundamentally rethink its care policies and increase public investment in this increasingly crucial sector.

**The Innocents** Francesca Segal, 2012-06-05 \*\*\* Winner of the 2012 Costa First Novel Award \*\*\* \*\*\* Winner of the 2013 Harold U. Ribalow Prize, the 2013 Sam Rohr Prize for Jewish Literature, the 2012 Costa First Novel Award, and the 2012 National Jewish Book Award for Fiction \*\*\* A smart and slyly funny tale of love, temptation, confusion, and commitment; a triumphant and beautifully executed recasting of Edith Wharton's *The Age of Innocence*. Newly engaged and unthinkingly self-satisfied, twenty-eight-year-old Adam Newman is the prize catch of Temple Fortune, a small, tight-knit Jewish suburb of London. He has been dating Rachel Gilbert since they were both sixteen and now, to the relief and happiness of the entire Gilbert family, they are finally to marry. To Adam, Rachel embodies the highest values of Temple Fortune; she is innocent, conventional, and entirely secure in her community--a place in which everyone still knows the whereabouts of their nursery school classmates. Marrying Rachel will cement Adam's role in a warm, inclusive family he loves. But as the vast machinery of the wedding gathers momentum, Adam feels the first faint touches of claustrophobia, and when Rachel's younger cousin Ellie Schneider moves home from New York, she unsettles Adam more than he'd care to admit. Ellie--beautiful, vulnerable, and fiercely independent--offers a liberation that he hadn't known existed: a freedom from the loving interference and frustrating parochialism of North West London. Adam finds himself questioning everything, suddenly torn between security and exhilaration, tradition and independence. What might he be missing by staying close to home?

The Perfectly Imperfect Home Deborah Needleman, 2011-11-01 Style is a luxury, and luxury is simply what makes you happy. Over the years, founding editor in chief of domino magazine Deborah Needleman has seen all kinds of rooms, with all kinds of furnishings. Her conclusion: It's not hard to create a relaxed, stylish, and comfortable home. Just a few well-considered items can completely change the feel of your space, and *The Perfectly Imperfect Home* reveals them all. Ranging

from classics such as “A Really Good Sofa” and “Pretty Table Settings” to unusual surprises like “A Bit of Quirk” and “Cozifications,” the essential elements of style are treated in witty and wonderfully useful little essays. You’ll learn what to look for, whether you are at a flea market or a fancy boutique—or just mining what you already own. Celebrated artist Virginia Johnson’s original watercolor illustrations bring the items and the inspiring rooms of world-famous tastemakers to vibrant life. Styling tips and simple how-tos show you techniques to put it all together to create, say, a beautifully made bed (the fast way and the fancy way), an inviting reading nook, or an effortlessly chic display of pictures. According to Deborah, the point of decorating is to create the background for the best life you can have, with all its joys and imperfections. This book will show you how. Deborah Needleman is the editor in chief of WSJ. Magazine and creator of the Off Duty section of The Wall Street Journal. She was the founding editor in chief of domino magazine and coauthor of domino: the book of decorating. Virginia Johnson’s illustrations have appeared in books by Kate Spade and on textiles carried in more than one hundred stores, including Barneys, Liberty of London, and Net-A-Porter. **Children in Reindeer Woods** Kristín Ómarsdóttir, 2012 11 year old Billie lives in a 'temporary home for children', one afternoon, to her surprise, she discovers that it is the middle of a war zone. When a small group of paratroopers kill everyone who lives there and then turn on each other, Billie is forced to learn to live with the violent, innocent and troubled Rafael, who decides to abandon the soldier's life and become a farmer. This haunting tale juxtaposes pastoral imagery with the terrors of war, creating a modern fable that exposes the absurdity of war.

*Geopolitics and Geoculture* Immanuel Maurice Wallerstein, 1991-07-26 Written between 1982 and 1989, this collection contains the author's perspective on the events of this period. The book also charts the development of a challenge to the dominant geoculture: the cultural framework within which the world-system operates.

Alianza Y Condena Claudio Rodríguez, 2014 A splash of sea foam. A sly sparrow. A man dodging the rain. From such mundane, unexpected moments, Spanish poet Claudio Rodríguez crafted his 1965 Alliance and Condemnation, a collection of poems that temper the joy of existence--the bounty that turns my flawed breath into prayer--with a questioning of empirical reality. In these pages are poems of love and hate, contrition and forgiveness, and the joys of sorrow and existence. Many of the poems are essentially parables that seem to address the immediacy of the world yet point beyond it toward philosophical and eternal values. The result is a conjoining of the real and the ideal, a frequent theme in Spanish literature. Many of these poems bridge the distance between the Spanish mystics, among them Saint John of the Cross and Saint Teresa, and the nature poetry of romanticism. Of all his creations, the radiant poems in Alliance and Condemnation offer the best imaginable introduction to his extraordinary life and work.
