*Public Health Nursing - E-Book* Marcia Stanhope, Jeanette Lancaster, 2015-09-16 Prepare for a successful career as a community/public health nurse! Public Health Nursing: Population-Centered Health Care in the Community, 9th Edition provides up-to-date information on issues that impact public health nursing, such as infectious diseases, natural and man-made disasters, and health care policies affecting individuals, families, and communities. Real-life scenarios show examples of health promotion and public health interventions. New to this edition is an emphasis on QSEN skills and an explanation of the influence of the Affordable Care Act on public health. Written by well-known nursing educators Marcia Stanhope and Jeanette Lancaster, this comprehensive, bestselling text is ideal for students in both BSN and Advanced Practice Nursing programs. Evidence-Based Practice and Cutting Edge boxes illustrate the use and application of the latest research findings in public/community health nursing. Healthy People 2020 boxes highlight goals and objectives for promoting the nation's health and wellness over the next decade. Levels of Prevention boxes identify specific nursing interventions at the primary, secondary, and tertiary levels. Practice Application scenarios help you apply chapter content to the practice setting by analyzing case situations and answering critical thinking questions. Linking Content to Practice boxes provide examples of the nurse's role in caring for individuals, families, and populations in community health settings. Unique! Separate chapters on healthy cities, the Minnesota Intervention Wheel, and nursing centers describe different approaches to community health initiatives. Community/Public Health Nursing Online consists of 14 modules that bring community health situations to life, each including a reading assignment, case scenarios with learning activities, an assessment quiz, and critical thinking questions. Sold separately. NEW! Coverage of health care reform discusses the impact of The Patient Protection and Affordable Care Act of 2010 (ACA) on public health nursing. NEW! London, Patricia W. Ladewig, 2008 Nurses working with childbearing families face a variety new challenges, including shortened lengths of hospital stay, the trend toward greater use of community-based and home care, and downsizing and mergers of health-care systems. This book is not only important reading for maternity nurses, but also can be used as an

invaluable reference tool. The Eighth Edition of this popular book not only continues to emphasize the central role played by maternity nurses working with today's childbearing families, but also includes a global perspective, covering culture as a factor in relating to the woman's childbirth experience. It also includes a comprehensive, accessible segment on women's health issues.

DeJong, MSW, 2024-05-15 Praise for earlier editions: I have been using this textbook as a required reading for my research class since 2004 because I found the text's coverage of research concepts to be in-depth, and easy to read without the technicalities. —Ziblim Abukari, PhD, MSW, Assistant Professor, Department of Social Work, Westfield State University Applied Social Research. . . is thorough, well organized, and clear, making it highly appreciated by my students. —Barry Loneck, PhD, School of Social Welfare, SUNY Albany Discover the practical side of research in human services with this easy-to-follow classic Designed for students and professionals in social work, public administration, nursing, criminal justice, and other human services fields, this text breaks down complex concepts into accessible, real-world applications. Follow along with easy-to-read language and engaging examples to uncover nonintimidating, practical tools for everyday problem-solving. Several new features, such as recorded practitioner interviews and Technology in Research boxes, clarify and reinforce the value of applied social research and innovative tools real professionals use in their work. This textbook takes readers on a journey through the entire research process, from identifying problems to collecting and analyzing data, and finally, to effectively communicating your findings. Each chapter closes with critical thinking and self-assessment questions to help evaluate students' understanding of the Council on Social Work Education's (CSWE) 2022 Educational Policy and Accreditation Standards (EPAS), promoting in-depth learning. Instructors will also welcome a wide array of instructor resources, including a new Instructor Manual, Sample Syllabi, Test Bank, and chapter PowerPoint presentations. New to the Eleventh Edition: Every chapter opens with an extended vignette highlighting how professionals incorporate research methods into their work. New Practitioner Profiles provide real-world insights into human services, and podcast segments with recorded interviews are included with every chapter. Chapters now include Technology in Research and Research in Practice boxes, helping readers understand the research practice and technological innovations. The new Instructor Manual includes additional discussion questions relating to the podcasts, learning activities to help students evaluate competencies, and more. Key Features: Clear explanations of the research process, from problem-solving to data analysis, simplifies learning. Explore real-life stories via practitioner interviews and vignettes in every chapter. All chapters close with bulleted main points, key terms for review, and several types of questions for evaluating competencies and self-assessment. Understand the link between research and improved services and develop logic-based research skills.
